Hey Eric,

This is what that saved file is. The article she got permission for is from "American Nurse Today."

Subject: article copyright

Dear Mr. Osborne,
I am a contributing author to one of your journals, and am writing to request permission to deposit the author accepted manuscript of the article(s) listed below into Purdue e-Pubs, the Purdue University institutional repository at <http://www.docs.lib.purdue.edu>. Purdue e-pubs is a not-for-profit digital repository for scholarly work created by faculty and staff at Purdue University. It helps makes their research available to a wider audience and helps assure its long-term preservation. The record of each article deposited includes the complete citation for the published version, along with a URL for the journal. The articles for which I am seeking permission are:

Article(s):

Richards, E. (2011). Stop the silence of elder abuse. *American Nurse Today*. *6*(8).

Please confirm that you grant me permission to deposit the author accepted manuscript of the article(s) listed above in my institutional repository. Thank you for your attention with this and I look forward to hearing from you.

Sincerely,

Libby Richards, PhD, RN
