### Selected Bibliography of Scholarship in (Comparative) Cultural Studies and Popular Culture

This selected bibliography of (comparative) cultural studies and popular culture is with focus on scholarship published between 2000 to 2005 -- with selected items of scholarship published earlier. The selection of items was guided by the notion of "comparative cultural studies," a framework defined in Steven Tötösy de Zepetnek, "From Comparative Literature Today toward Comparative Cultural Studies" in *CLCWeb: Comparative Literature and Culture* 1.3 (1999): <<http://docs.lib.purdue.edu/clcweb/vol1/iss3/2/>> and in hard copy "From Comparative Literature Today toward Comparative Cultural Studies." *Comparative Literature and Comparative Cultural Studies*.
