Tuesday
March 29

Exhibits/Refreshments
9:00-12:30
Purdue Memorial Union
North/South Ballrooms

All participants are invited to enjoy this new event provided compliments of the participating exhibitors.
Your name badge is required for entry.

Opening Session
1:00-3:00
Room: Labb Theatre
Presiding: Fred L. Menninger, Professor and Head, School of Civil Engineering, Purdue University

The State Transportation System
Tommy O. Sharp
Commissioner
INDOT

Innovation – A New Tradition
Robert F. Taylor, Jr.
Division Administrator
FHWA-Indiana Division

Indiana Highway Quality Awards
Robert L. Simmer, Civil Engineer
INDOT
Kathleen A. Quine, Assistant Administrator
FHWA-Indiana Division

Lloyd Randy, APA
Christine Bajrati, INDOT
Paul Benedek, TCI
Matt Brase, IADT
Greg Bud, INDOT and ArcCorp
Mike Byram, Indiana Department of Transportation
Tom Byars, INDOT
David Clay, City of West Lafayette
Derek Durak, Marion County
Gary Eakin, Town of Danville
Jim Fink, Purdue University
Bill Hayman, ICC
John Hebarmentz, Indiana DTP
Ron Houston, INDOT
Ken Hult, INDOT
Leo Houck, City of Delphi
David Hult, INDOT
Rajesh Janak, BMA
Greg Krick, INDOT
Dale Kuntz, City of Lafayette
Waitland, INDOT
Jim Larson, Indiana TAP
Fred Manning, Purdue University
Tom Martin, Indiana TAP

Rob McCullogh, INDOT
Mark Miler, INDOT
Marcy Montefied, Indiana TAP
Gary Nalevka, INDOT
David Purpura, FHWA-Indiana Division
Bryan Partidge, INDOT
Linda Patrick, Indiana TAP
Steve Powell, Indiana Division
Jennifer Purdy, ESI; and Kevin
Ken Quaas, ESI
Tom Reppetto, Purdue University
Robert Shaffer, Tippecanoe County
Kathleen Simha, TAP
Rick Sleeper, Jasper County
Randy Slusser, Brown County
Matt Thomas, TIP Indiana Section
Scott Tipton, Fauquier County
Jim Turek, Indiana TAP
Steve Vanhorn, Butler County
Seymour
Rex Whitney, INDOT
Ward Ziegler, Noble County

Break Room
Tuesday
March 29

Avoiding Powerpoint-Induced Coma
Room: 310
Powerpoint has become the hottest piece of presentation technology, but it is not appropriate for all audience situations and often is not used effectively. Attend this fun workshop to learn some dos and don’ts of Powerpoint to keep your audience interested and awake!
Mike Jacob, Professor, Electrical and Computer Engineering Technology, Purdue University

Financing Issues
Room: 218
President: Richard Whitney, Chief Financial Officer, INDOT
This is the place for the latest information on state and federal highway funding. Hear all of the 2005 information about the new Federal Highway Act as well as Indiana’s funding plans.
Gary Eaton, Director, Local Transportation Service Center, INDOT
Chris Kubek, Acting Division Chief, Budget and Fiscal Management Division, INDOT

QC/QA Superstructure Concrete
Room: 214
President: Greg Kocinski, Special Projects Engineer, Contracts and Construction Division, INDOT
This session will discuss the scope, methodology, and requirements of the special pavement used to construct bridge superstructures. QC/QA superstructure will be compared and contrasted with conventional materials method specifications.
Tony Zanyek, Assistant Quality Assurance Engineer, Materials and Tests Division, INDOT

Tuesday
March 29

Rest Stop Wastewater Treatment Using Innovative Constructed Wetland System
Room: 202
President: Lynn Colson, Director, Indiana Clean Manufacturing Technology and Clean Materials Institute, Purdue University

This presentation will review the first year of performance at INDOT’s new I-70 Greenfield Rest Stop wastewater treatment system, where three sequential constructed wetlands are being used to handle this facility’s daily flow.
Jim Allman, Professor, School of Civil Engineering, Purdue University
Reu Gounderaju, Professor, School of Civil Engineering, Purdue University

What About Roundabouts?
Room: 307
President: Mike McBratney, City Engineer, City of Carmel
Attend this session if you are considering roundabouts in your next transportation project to hear firsthand experiences in local roundabout projects.

Huntington County Case Study
Jeremy Grubard, Transportation Engineer, American Consulting, Inc.

Hendricks County Case Study
Jay Vorstek, Transportation Engineer, The Schneider Corporation

Town of Avon Case Study
Matthew Miler, Transportation Project Manager, DLZ Indiana LLC

Welcome Reception
University Inn, West Lafayette, Indiana
5:00-7:00 PM
Take a moment from your busy schedule to enjoy the hospitality of our vendor friends of Road School!
Wednesday
March 30
8:30-10:00

Back to Basics: Intersection Design and
Improvements Part I (3 CEU)*
Room: 303
President: Mike Holloway, Specialty Projects Group
Manager, Design Division, INDOT

Design Choices and the Resulting Operational
Implications
Michael Cline, Transportation Services Manager,
American Consulting, Inc.

Intersection Safety Considerations
Tom Ford, Associate Vice President, Edwards & Kelcy.

Context Sensitive Solutions Part I (3 CEU)*
Room: 202
President: Gary Menicki, Chief, Design Division, INDOT

US 52 (Brookville Added Lanes Project)
Kevin Jiassinski, Project Manager, American
Consulting, Inc.
Christopher Murphy, Department Manager,
American Consulting, Inc.

I-465 Fastrack Project, Indianapolis
Kevin Prusieck, Project Manager, SB 83 Consultants, ASSOS
Architecture, LLC

County Surveyors Association Meeting
Room: 314
President: Scott Ziegler, Surveyor, Noble County

Business Meeting All Day

Wednesday
March 30
8:30-10:00

INDOT Major Projects Update
Room: 302
President: Chris Raynes, Manager, Project Management
INDOT

Ohio River Bridge Project
Ed Cox, Project Manager, Contracts and Construction
Division, INDOT

I-89 Corridor Project
Janice Osadczuk, Chief, Environmental, Planning, and
Engineering Division, INDOT

Lyle Sadler, I-89 Project Manager, INDOT

US 31 Corridor Project
Chris Bayses, Manager, Project Management, INDOT

Real Property Acquisition (New Regulations for
the Uniform Act 49 CFR) Part I
Room: 204
President: Ken Woodruff, Realty Officer, FHWA
Indiana Division

The Uniform Act Rewrite – Relocation Issues
David Walterscheid, Realty Specialist, Office of Real
Exante Services, FHWA

The Uniform Act Rewrite – Appraisal/ Acquisition Issues
David Walterscheid, Realty Specialist, Office of Real
Exante Services, FHWA

Break Room
Wednesday  
March 30

Recent Developments in Pavement Technology and Design
Room: 214GD
Presider: Barry Partridge, Chief, Research Division, INDOT

Lowel Bar Retrofit Specifications
Tommy Nantung, Section Manager, Research Division, INDOT

High-Performance Concrete for Bridge Decks
Tony Zander, Assistant Quality Assurance Engineer, Materials and Tests Division, INDOT

Mechanistic Empirical Pavement Design Guide
Tommy Nantung, Section Manager, Research Division, INDOT

Pavement Preservation
Wyatt Flora, Pavement Management Engineer, Program Development Division, INDOT

Concrete Technology Training
Ron Walker, Quality Assurance Engineer, Materials and Tests Division, INDOT

Repair and Maintenance of Asphalt Roads
Room: 218
Presider: Lloyd Basly, Executive Director, Asphalt Pavement Association of Indiana

HMA – The Truly Flexible Pavement
David Androowski, Materials Engineer, Materials and Tests Division, INDOT

Guide Specifications for Local Governments
Garry Huber, Associate Director, Heritage Research

Ohio’s Experience with Thin Polymerized Overlays
H. Wayne Jones, District Engineer, Asphalt Institute

Safety Issues
Room: 310
Presider: Rick Drumm, Safety Engineer, FHWA Indiana Division

LTAP Helpers Program – Case Studies
Laura Johnson, Project Manager, Indiana LTAP, Purdue University

An Update of Indiana Highway Traffic Safety
Jose Thomas, Statistical & Database Analyst, Center for the Advancement of Transportation Safety, Purdue University

Computer-Aided Safety Management through Roadway Improvements: Software Demonstration
Andrew Taito, Professor, School of Civil Engineering, Purdue University

Storm Water Quality Management in Transportation Part I (5 CEU)
Room: 322
Presider: Lynn Corson, Director, Indiana Clean Manufacturing Technology and Safe Materials Institute, Purdue University

Biological storm water quality BMP use and selection for transportation projects will be presented, including engineered swales, extended detention basins, sustainable pond design, and constructed wetlands.

Theodor Blahnik, Principal, Williams Creek Consulting
Sarah Baxter, Staff Scientist, Williams Creek Consulting

Break Room
Wednesday
March 30

Utilities Task Force Final Report
Room: 311
Presenter: Richard Smutzer, Chief Engineer, INDOT
Update on Proposed Administrative Rules
Richard Smutzer, Chief Engineer, INDOT
Finalized White Paper and Executive Summary
Ted Brunner, Senior Vice President, Milestone Contractors LLP
Early Utility Relocations along US 421
Brad Thorstson, Area Engineer, Crawfordville District, INDOT
Wes Shaw, Area Engineer, Crawfordville District, INDOT
Preliminary Contract on SR 129 Allowing Early Utility Relocations
Brad Ball, Project Engineer, Seymour District, INDOT

Back to Basics: Intersection Design and Improvements Part II (3 CEU)
Room: 306
Presenter: Mike Holoway, Specialty Projects Group Manager, Design Division, INDOT
Indiana Design Manual Chapter 46... What You Should Know
Mike Holoway, Specialty Projects Group Manager, Design Division, INDOT
Interchange Ramp Terminology Design Considerations at the Cross Road
Gary Pence, Project Management Engineer, Design Division, INDOT

Context Sensitive Solutions Part II (3 CEU)
Room: 202
Presenter: Gary Mrozka, Chief, Design Division, INDOT
Accelerate 465 Project, Indianapolis
Mark Urban, Vice President, HNTB Corporation
Scott Sieker, Senior Urban Designer, HNTB Corporation
Craig Churchward, Director, Context Sensitive Solutions, HNTB Corporation
Panel Discussion
Richard Philabaum, Landscape Architect, Design Division, INDOT
David Holtz, Chief, Program Development Division, INDOT
Chris Ogg, Senior Project Manager, The Schneider Corporation
Kate Zale, Senior Project Manager, The Schneider Corporation

INTERESTED IN BRUSHING UP ON YOUR PLAN READING SKILLS ON YOUR OWN TIME OR TRAINING NEW STAFF WITH LESS EFFORT? THE JTRP BRIDGE AND PLAN READING CD COURSES ARE AVAILABLE FOR PURCHASE NOW AT THE ROAD SCHOOL REGISTRATION DESK.

Wednesday  
March 30  

Urban Issues  
Room: 310
Presider: Jan Mills, Mayor, City of West Lafayette

Selecting Trees for Downtowns and Street Projects
Pam Louka, Community and Urban Forestry Coordinator,  
Forestry Division, IDNR

Sidewalk Management – ADA Issues in Indiana
Greg Fehnbach, Attorney at Law, Fehnbach Group

Assessment and Selection of Storm Water
9MPs for Highway Construction, Retrofitting,  
and Maintenance
Room: 202
Presider: Lynn Conson, Director, Indiana Clean  
Manufacturing Technology and Safe Materials Institute,  
Purdue University

While many Indiana communities are working to comply  
with the statewide general permit for storm water  
discharges, INDOT applying for an individual permit.  
Attend this session to hear the details of INDOT’s  
implementation of a Storm Water Quality Management  
Plan.

David Hayward, Transportation Design Section Head,  
Christopher B. Burke Engineering Ltd

Exhibitors Luncheon  

Back to Basics: Culvert Hydraulics  
Part I (3 CEU)
Room: 310
Presider: Memi Dougherty, Hydraulics Engineering  
Supervisor, Design Division, INDOT

This session will discuss hand calculations, monographs,  
and the HY-8 computer model for performing culvert  
hydraulics. INDOT culvert training also will be discussed.

Louis Feagans, Hydraulic Project Manager, Design  
Division, INDOT  
David Finley, Environmental Engineer, CTE  
Engineers, Inc.
Wednesday
March 30
1:30-3:00

Back to Basics: Geosynthetics and Road Applications Part II (S CEU)
Room: 213
Presider: Craig Mickowicz, Regional Sales Engineer, Contech Construction Products, Inc.

Polymer geosynthetics offer an excellent, cost-effective way for highway construction engineers to deal with soft wet soils in roadway construction. In this session you will learn the basic applications of this material.

Athar Khan, Chief Geotechnical Engineer, Materials and Tests Division, INDOT
Craig Williams, Engineered Products Consultant, Tenax Corporation
Jim Sanneman, Sales Manager, Contech Construction Products, Inc.
Duane Alverson, Highway Engineer, Lake County

Leadership as an Attitude
Room: 218

This workshop will help you assess your personal leadership skills and provide you with the knowledge to understand the importance of workplace attitudes and how they affect total performance and effectiveness. You will learn six quick attitude adjustment techniques for creating productive work environments, as well as several ways to “give away” your positive attitude.

Rodney Vanderveer, Associate Professor, Organizational Leadership and Supervision, Purdue University

Wednesday
March 30
1:30-3:00

Maintenance Issues Part I
Room: 214CD
Presider: Jerry Thompson, Operations Engineer, Seymour District, INDOT

Anatomy of a Pothole
Bryan Veale, Maintenance Field Engineer, Vincennes District, INDOT
Chris Hostetler, Maintenance Field Engineer, Vincennes District, INDOT

Use of Gabions for Stabilization
Chris Moore, Maintenance Field Engineer, Greenfield District, INDOT

Safety Issues for Maintenance Workers
Mike Houglund, Safety Coordinator, Seymour District, INDOT

Highway Drainage and Rte 5
Tom Duncan, Environmental Services Manager, Environmental, Planning, and Engineering Division, INDOT

Break Room
Wednesday
March 30
1:30-3:30

Repair and Maintenance of Gravel Roads
Room: 302
President: Robert Jones, Executive Director, Indiana Mineral Aggregates Association

Why We Need Quarries and Where They Come From
Joe Mayfield, Sales Representative, U.S. Aggregates Company

Products and Techniques to Build Your Gravel Roads of the Future
Kevin Myers, Highway Supervisor, Clinton County

Why We Have an Aggregates Association
Robert Jones, Executive Director, Indiana Mineral Aggregates Association

Transportation Fraud (Project Site Detection)
Room: 306
President: Ken Woodruff, Deputy Officer, FHWA Indiana Division

Fraud Schemes on Federal Aid Projects
Mark Peterson, Special Agent, USDOT Office of the Inspector General

DBR Compliance and Fraud Schemes
George Hoeny, Marwell, Economic Opportunity Section, INDOT

EEO Compliance and Fraud Schemes
Vicki Thomas, EEO Compliance Manager, INDOT

Transportation Issues Part I (3 CEU)
Room: 318
President: Jennifer Pyz, President, ITE Indiana Section, and Senior Transportation Engineer, Edwards & Kelsey

The Role of an ADA Coordinator in Creating Accessible Environments
Juli Parenti, Coordinator, Mayor’s Office of Disability Affairs, City of Indianapolis

Road Diet+
Jennifer Rosales, Lead Transportation Engineer, Parents

Predicting Safe Operating Speeds along One and Four Lane Roadways
Andrew Tarko, Professor, School of Civil Engineering, Purdue University
Alberto Figueroa Medrano, PhD Candidate, School of Civil Engineering, Purdue University

Transportation Security Issues
Room: 311
President: Jim Turley, Indiana LTAP, Purdue University

Protecting Indiana’s Transportation Assets: Vulnerability, Countermeasures, and Emergency Response
Jon Fricke, Professor, School of Civil Engineering, Purdue University

Transportation Security Awareness and Training: Identification and Training
Shimon Not, Professor and Director of the PRISM Center, School of Industrial Engineering, Purdue University

NDI: A Transportation Security Mock Drill for Indiana
Shimon Not, Professor and Director of the PRISM Center, School of Industrial Engineering, Purdue University
**Wednesday**
**March 30**

**Urban Issues II**
Room: 322

**President:** Andrea Johnson, Deputy Director, Indiana Association of Cities and Towns

**Bike and Pedestrian Paths Planning for Multi-jurisdictional Areas**
Michelle BannISTER, Transportation Planner, NW Regional Planning Commission

**Barrett Law – Successful Uses and Case Studies**
Sue Beesley, Attorney at Law, Bingham McHale LLP

**Dos and Don’ts of Sign Ordinances**
James Stephenson, Attorney at Law, Stephenson Morrow & Semler

---

**Will Your Project Make the Cut? Part I**
Room: 204

**President:** David Holz, Chief, Program Development Division, INDOT

INDOT is screening all state and local federal aid preservation and bridge projects, as well as added capacity and safety projects, against their system modeling software outputs. Attend this session to see how this part of the black box works.

**Pavement Management**
William Flora, Pavement Management Engineer, Program Development Division, INDOT

**Construction Management**
John Nagle, Safety/Construction Management Engineer, Program Development Division, INDOT

**Bridge Management**
Jaffar Golkajeh, Bridge Management Engineer, Program Development Division, INDOT

---

**Back to Basics: Culvert Hydraulics Part II (3 CEU)**
Room: 210

**President:** Menno Dougherty, Hydraulics Engineering Supervisor, Design Division, INDOT

This session will discuss hand calculations, nomographs, and the HY-8 computer model for performing culvert hydraulics. INDOT culvert sizing also will be discussed.

Louis Feagans, Hydraulic Project Manager, Design Division, INDOT
David Finley, Environmental Engineer, CTE Engineers, Inc.

---

**Back to Basics: Geosynthetics and Road Applications Part II (3 CEU)**
Room: 213

**President:** Craig Miskowicz, Regional Sales Engineer, Contech Construction Products, Inc.

Polymer geosynthetics offer an excellent, cost-effective way for highway construction engineers to deal with soft fill soils in roadway construction. In this session you will learn the basic applications of this material.

Athar Khan, Chief Geotechnical Engineer, Materials and Tests Division, INDOT
Greg Williams, Engineering Products Consultant, Texax Inc.
Jim Sanneman, Sales Manager, Contech Construction Products, Inc.
Duane Alverson, Highway Engineer, Lake County
Wednesday
March 30
3:15-4:45

Gizmos, Gadgets, and Inventions
Room: 218

Corn is not the only thing we grow in Indiana...join us for a look at some "home grown" ideas supplied by various counties, cities, towns, and state highway and maintenance departments around the state.
Moderator: James Reid, Publisher, Indiana Public Works News

Impact of Storm Water Run-off from County Roads on Water Quality and Stream Hydrology
Room: 302
Presenter: Lynn Corson, Director, Indiana Clean Manufacturing Technology and Safe Materials Institute, Purdue University

Introduction
William Hoover, Extension Coordinator, Department of Forestry and Natural Resources, Purdue University

Hydrologic Impacts of Roads in Forest Watersheds
Laura Bowling, Assistant Professor of Watershed Hydrology, Department of Agronomy, Purdue University

Examples of Hydrologic Impacts of Storm Water Run-off from Forest and Other Roads
Duane McCoy, Watershed Conservation Forester, Indiana Department of Natural Resources

Water Quality and Biological Impacts of Stream Crossing Structures in the Hoosier National Forest
Anne Timm, Aquatic Ecologist, USDA Forest Service, Hoosier National Forest

Wednesday
March 30
3:15-4:45

Internet Tools and Your Agency
Room: 306
Presenter: Alan Pyrz, Principal, eGOV Strategies

Bringing All Department onto One System
Alan Pyrz, Principal, eGOV Strategies

Building an Effective Website – Dos and Don’ts
Alan Pyrz, Principal, eGOV Strategies

How Public Should Public Records be?
Ben Ballou, Attorney at Law, Hodges Davis, P.C.
Gregg Sobkowksi, Hodges Davis, P.C.

Maintenance Issues Part II
Room: 214CD
Presenter: Jerry Thompson, Operations Engineer, Seymour District, INDOT

Small Culverts Inventory and Maintenance Program
Mike Rivers, Maintenance Supervisor, Seymour District, INDOT
Tony McLeish, Operations Engineer, Seymour District, INDOT
Kemper Wallace, Program Coordinator, Operations Support Division, INDOT

Tort Claims
Jack Riggs, Attorney, Legal Division, INDOT

Drainage Responsibilities in Cities and Towns
Richard Thomas, Operations Support Engineer, Seymour District, INDOT
Wednesday
March 30
3:15-4:45

Our Transportation Heritage: Two Case Studies
Room: 322
President: Jon Turner, Indiana LTAP, Purdue University

Two recent projects in central Indiana are the fulfillment of a vision of shaping the past and are modes for the process of developing volunteers and creative funding to make it happen. Attend this session to hear insights into what was accomplished and how these projects can be a benchmark for your community.

Danni McCain, President, Wabash and Erie Canal Association
Kevin O'Brien, Executive Director, Tippecanoe County Historical Association

Transportation Issues Part II (2 CEU)
Room: 318
President: Jennifer Pritz, President, ITE Indiana Section, and Servor Transportation Engineer, Edwards & Kelcey

INDOT/IDOT Cooperative Projects
Tom Hohnman, Division of Engineering, Indiana Department of Natural Resources

TEA-21 Reauthorization
Richard Roper, Vice President, ITE International and Transportation Engineer, Orth-Rodgers and Associates

Break Room

Wednesday
March 30
3:15-4:45

Use of Recycled Materials
Room: 202
President: Bob McCollough, Research Scientist, School of Civil Engineering, Purdue University

Numerous innovative uses for recycled materials in transportation projects have been around for more than a decade now and additional uses are constantly being discovered. This session will bring you up to date on what is happening in recycling in Indiana.

Jim Allman, Professor, School of Civil Engineering, Purdue University
Steve Poe, Scrap Tire Reuse Coordinator, Indiana Department of Environmental Management
Monica Pizzi, Professor, School of Civil Engineering, Purdue University

Will Your Project Make the Cut? Part II
Room: 204
President: David Holtz, Chief, Program Development Division, INDOT

INDOT is screening all state and local federal aid presentation and bridge projects, as well as added capacity and safety projects, against their system modeling software outputs. Attend this session to see how this part of the black box works.

Pavement Management
William Fitzow, Pavement Management Engineer, Program Development Division, INDOT

Congestion Management
John Nagle, Safety/Congestion Management Engineer, Program Development Division, INDOT

Bridge Management
Jaffer Golshahi, Bridge Management Engineer, Program Development Division, INDOT
Wednesday
March 30

5:30-8:00
ITE Dinner
The Trails Banquet Facility
West Lafayette, Indiana
Social: 5:30pm
Dinner: 6:45pm
Program: 7:30pm

Speaker: Richard Romer,
International Vice President, ITE
Program: ITE Update and
Presentation of Scholarship Awards

Thursday
March 31

Indiana Street Commissioners Association
Meeting
Room: PMU West Faculty Lounge
President: Raymie Echerle, City of Jasper

Breakfast
Business Meeting
Federal Perspective on Roadway Safety
Rick Drumm, Safety Engineer, FHWA Indiana Division

8:30-10:00
City Engineers Association Meeting
Room: 310
President: Opal Kuzi, City of Lafayette

Business Meeting

County Auditors Association Meeting
Room: 314
President: Don Schoeff, Huntington County

Business Meeting

County Commissioners Association Meeting
Room: 214CD
President: William Haan, Executive Director
Legislative Wrap-Up
Other Issues
Thursday
March 31

County Highway Engineers and Supervisors
Association Meeting
8:30-10:00

Presider: Dann Duncan, Harrison County

Business Meeting

INDOT Meeting Part I
(This session is open to the public)
Room: 302
Presider: Richard Smutzer, Chief Engineer, INDOT

INDOT Design and Construction of Post-Tension Structures
Joe Showers, Chief Bridge Engineer, CHM Hill
Steve Fleming, Engineering Manager, Parsons
Brian Hoppal, Project Manager, Walsh Construction Co.

Pavement Smoothness Awards
Dennis Kuchler, Chief, Contracts and Construction Division, INDOT

Mayors Roundtable
Room: 202
Presider: Jan Mills, City of West Lafayette

Break Room

Thursday
March 31

INDOT Meeting Part II
(This session is open to the public)
Room: 302

SR 66 Storm Sewer Tunnel Project in Evansville
Jeff Lazarelli, Project Manager, Wavelert LLP
Peggy Garner, Associate, Lyman Henry, Inc.
Scott Ludlow, President, Earth Exploration, Inc.
Curt Schum, Area Engineer, Vincennes District, INDOT
Kurt Retz, Area Engineer, Vincennes District, INDOT
Mark Rybak, Project Manager, Affholder, Inc.

Round Table Discussions
Room: PMU South Ballroom

INDOT Long-Range Plan and Program
Moderator: David Hottz, INDOT

GASB 34
Moderator: Mike Nielsen, Government Fixed Asset
Service, Inc.

Build Indiana
Moderator: Vicki Kitchin, Indiana Constructors, Inc.

Local Option Highway User Tax
Moderator: Tom Martin, Indiana LTAP
