A part of the sentence just before Eq. (1) in our previous Letter [Opt. Lett. 36, 451 (2011)] was incorrect and is corrected here. © 2011 Optical Society of America

OCIS codes: 310.6628, 250.5403, 230.0230, 310.6805.

In our recently published Letter [1], a part of the sentence just before Eq. (1) should be replaced with the following text: “Equations (1) and (2) show the dispersion relations for the plasmonic and the photonic modes, respectively....”
