Just As We Go To Press!!

This is quite a scoop! I am told that Inge Valentine (Pergamon) won $5700 at the slot machines during the ABA Convention. No one knows exactly how many quarters Inge used, but that somehow seems irrelevant! When Inge called her husband to report her win, he only asked her why she hadn’t gone for more! However, the IRS was very interested. They wanted $2000 up front! You talk about wet blankets!

Remember that the Charleston Conference 1990 (Tenth) will be November 8-10, 1990, in Charleston, SC. If you haven’t gotten the registration information yet, let Katina know!! Y’all come!!
