We both have big extended families. Rick’s in New England and Ruth’s in Colorado. We spend time with both. Daughter Emily is an artist living just down the road from us and son Lincoln is an engineer working in Louisville, Kentucky. Most evenings when we’re home we gravitate toward the long story arcs of shows like “The Wire,” “Battlestar Galactica,” “Deadwood,” or, most recently, “Six Feet Under.”

**ATG**: We’ve been discussing a lot of serious issues but before we let you go, we were hoping that you could tell us a little bit about you and your family. What do you do with your spare time? What do you like to read? Do you have any hobbies?

**RL/RF**: We both have big extended families. Rick, in New England and Ruth, in Colorado. We spend time with both. **ATG**: Rick and Ruth, we want to thank you for taking the time to talk to us. As always, we learned a lot.

**RL/RF**: Our pleasure. Thanks for asking!
