Hi Devon,

I'd love to have y'all do a CV review. Below, I've copied a list of my published articles and sorted them by "single article in a journal" and by journals where I have multiple articles. Let me know if you need anything else from me.

David,

Thank you! You don’t need to do anything, your work has been posted and will appear on the repository. You will receive confirmation when the work goes live.

We invite you to take advantage of our free, mediated CV review service. We review the copyright policies at journals that have published your work, reply with a list of your works that can be hosted on Purdue e-Pubs, and (with your permission) upload the works on your behalf. You can take advantage of this service at any time, by sending us a list of publications and a request for a free CV review.

Thanks again for using Purdue e-Pubs, and allowing Purdue Scholarly Publishing Services to help celebrate your success!

Warm regards,

Devon Goldberg
