## Archival Literacy Project Reflection

What is the process that led you to your topic? Where did you search? Did you struggle finding a topic? If yes, why?

Did you decide to change your topic after your first class visit to the archives? If yes, what made you want to change topics?

Did you consult with Adriana or Kristin and ask them questions that provided helpful guidance on finding more information on your topic?

What were some of your first thoughts/impressions when you looked through the archival materials on your topic? Is it what you expected? Were you surprised by anything? Be specific.

Did the archives orientations and in-class activities help prepare you for this assignment? If yes, how? If no, why?

Have you ever worked with archival materials before?

What did you learn from working with archival materials?

Was the peer-review day helpful? If yes, how? If no, why?

Were there any parts of this assignment with which you struggled? If yes, why? Could something have been done to remedy this?

What did you like least about this assignment? What did you like most?

Do you have any other thoughts you would like to share?
