dear Kevin,

I was delighted indeed that it was possible for Tush, Anna, and me to get together with you last Saturday. With John and Dave there too, it was almost a full dress drill. — I liked what I saw. — I hope you like the color of the Helsinki napkin I'm sending. Best, Bill

Alternatives suggested:
• (“1. Satellite coffee station—P.S. Girls will still get stuck with clean-up, waitressing—not what they were hired for. Will be fewer personal secretaries in future—more pools, word processing.

• 2. Coffee cart—Limited times of use, still has lines

• 3. Kitchen service AM and PM at Satellite station most desirable. Provide coffee and hot water for tea, soup; cleanup.”
