

**Proceedings of the Seventh Annual Indiana STEM Education Conference  
“STEM Education: Making Giant Leaps”**

**January 13, 2022**

## Contents

### Front Material

Contents

Goals and Proceedings Information, Preface and Acknowledgments

### Research Posters

What are the Benefits of STEM Integration in Mathematics Classrooms in Underserved Schools? A Literature Review

*Steve Heinold, Purdue University*

Bridging the Gap: Connecting High School Students to Advanced STEM Education Through Online Learning Modules

*Kathleen Jurecka, Texas A&M University*

*Stacey D. Lyle, RPLS, Texas A&M University*

Exploring Youths' Decision to Participate in STEM Afterschool Programs

*Brooke M. Stafford, Purdue University*

*Virginia L. J. Bolshakova, Purdue University*

### Research Briefs

Algebra Readiness and Algebraic Structure as Foundational Ideas for Algebraic Learning

*David Feikes, Purdue University Northwest*

*William S. Walker, III, Purdue University*

*Natalie McGathey, Prairie State College*

*Bir Kafle, Purdue University Northwest*

The Role of Social and Emotional Learning in the Math Recovery Project

*David Feikes, Purdue University Northwest*

*William S. Walker, III, Purdue University*

*Madelaine Miller, Union Center Elementary School*

*Lisa Alessandri, Lake Central School Corporation*

Steppin' into the Future: Connecting BIPOC Youth to STEM Careers

*Jessica V. Forrester, University of Minnesota*

*Lesia M. Covington Clarkson, University of Minnesota*

*Elena A. Contreras Gullickson, Harvest Best Academy*

Reinventing High School: Competency-Based Model for Learning in the 21<sup>st</sup> Century

*Tahir M. Khan, Purdue University*

*Denise K. Whitford, Purdue University*

*Lisa Lambert Snodgrass, Purdue University*

*Sunnie L. Watson, Purdue University*

*Lisa B. Bosman, Purdue University*

Engaging Elementary School Students and their Parents in After-School STEM Activities

*Yury A. Kuleshov, Purdue University*

*Anne M. Lucietto, Purdue University*

STEAM Education Partnerships during COVID-19 Help Keep Teaching Fun

*Jeffrey A. Nowak, Purdue University Fort Wayne*

*Carissa L. Lahrman, Fort Wayne Community Schools*

Predicting Indiana Public Middle School Science Achievement by School Demographics

*Zafer Ozen, Purdue University*

*Nielsen Perira, Purdue University*

K-12 Teachers' Perceptions of STEM

*Brittany Vancil, Rosedale Elementary School*

*Emily Nicholson, American School Foundation of Monterrey*

Mathematics Interventions for Secondary Students with Autism Spectrum Disorder: A Review of Research Quality

*Jingyuan Zhang, Purdue University*

*Mandy Rispoli, Purdue University*

*Yan Ping Xin, Purdue University*

*Mehmet Donat Sulu, Purdue University*

Teachers' Perceptions on Women in STEM: Breaking the Stereotypes

*Lili Zhou, Purdue University*

*Alankrita Chhikara, Purdue University*

*Stephanie Oudghiri, Purdue University*

*Araba A. Z. Osei-Tutu, Purdue University*

*Razak Dwomoh, Purdue University*
