Research & Development
Buffalo, New York 14210

Abstract

An overview of the evolution of CFCs from their beginning to the present. Brief coverage of the impacts of the Montreal Protocol on future availability of CFCs is followed by some comparative data on potential alternatives vis a vis present CFCs.

LES CFC EN TRANSITION.

RESUME : Revue générale de l'évolution des CFC de leur début à l'époque actuelle. Bref compte rendu de l'impact du Protocole de Montréal sur la disponibilité future des CFC suivi de quelques comparaisons sur les solutions de rechange possibles pour les CFC actuels.
