## National Writing Centers Association

# Membership Form

---

### The Assembly:

The National Writing Centers Association, an NCTE Assembly, was founded in 1983 to foster communication among writing centers and to provide a forum for concerns. Comprised of directors and staffs of writing centers at universities, two-year colleges, and public schools, the NWCA is governed by an Executive Board which includes representatives from the regional writing center organizations.

### Publications:

The Assembly sponsors two publications: *The Writing Lab Newsletter*, edited by Muriel Harris at Purdue, provides a monthly forum for writing center concerns during the academic year; *The Writing Center Journal*, edited by Jeanette Harris of Texas Tech and Joyce Kinkead of Utah State University, offers in its two issues per year longer articles on writing center theory and research.

### Awards:

NWCA offers the following awards: (1) an award to recognize individuals who have made significant contributions to writing centers, and (2) awards to recognize outstanding publications on writing centers. In addition, grants are available to graduate students whose research focuses on writing centers; regional associations may also apply for grants to hold conferences.

### Meetings:

The NWCA meets twice a year, once during NCTE and once during CCCC. At the November convention, NWCA sponsors a day-long workshop; at CCCC in March, the assembly sponsors a special interest session—along with an exchange of writing center materials. The Executive Board meetings at these conferences are open to the membership.
