Editorial Policy

*The Writing Center Journal* is an official publication of the National Writing Centers Association, which is an Affiliate of the National Council of Teachers of English. The Executive Board of the National Writing Centers Association functions as the Editorial Board for the journal.

The primary purpose of *The Writing Center Journal* is to publish articles, announcements, and reviews that are of interest to writing center directors and tutors. We therefore invite manuscripts that explore issues or theories related to writing center administration or instruction. We are especially interested in theoretical articles and in reports of research related to or conducted in writing centers. In addition to directors and tutors who are associated with college and university writing centers, we encourage directors of high school writing centers to submit manuscripts.

Submissions should follow these guidelines: four copies of printed, doublespaced manuscripts (approximately 10 to 20 pages) that follow the MLA style sheet (3rd ed.) should be submitted; identifying information should appear only on the cover page. If a stamped, self-addressed envelope is included, manuscripts will be returned. Manuscripts and all correspondence should be sent to The Editors, *The Writing Center Journal*, Department of Humanities, 1400 Townsend Drive, Michigan Technological University, Houghton, MI 49931.

Subscription to *The Writing Center Journal* is $10 per year; back issues are $5. Checks should be made payable to *The Writing Center Journal*. Subscription requests and all related correspondence should be sent to Nancy Grimm, Editor, Michigan Technological University, 1400 Townsend Drive, Houghton, MI 49931. BITNET address is NGRIMM@MTUS5. (See announcements section for information about the National Writing Centers Association.)

Reproduction of material from this publication is hereby authorized if reproduction is for educational use in not-for-profit institutions; copies are made available without charge beyond the cost of reproduction; and each copy includes full citation of the source.
