The Assembly: The International Writing Centers Association, an NCTE Assembly, was founded in 1983 to foster communication among writing centers and to provide a forum for concerns. Comprising directors and staffs of writing centers at universities, two-year colleges, and public schools, the IWCA is governed by an Executive Board that includes representatives from the regional writing center organizations.

Publications: The IWCA sponsors two publications. The Writing Lab Newsletter, edited by Muriel Harris at Purdue, provides a monthly forum for writing center concerns during the academic year. The Writing Center Journal, edited by Neal Lerner and Elizabeth Boquet, offers in its two issues per year longer articles on writing center theory and research. The IWCA also sponsors the International Writing Centers Association Press.

Awards: IWCA offers the following awards: (1) an award to recognize individuals who have made significant contributions to writing centers, and (2) awards to recognize outstanding publications on writing centers. In addition, small grants are available to graduate students whose research focuses on writing centers and to researchers seeking external funds for writing-center related projects. IWCA also supports regional association conferences with speaker grants.

Meeting: The IWCA Executive Board meets twice a year, once during NCTE and once during CCC, and during an International Writing Centers Association conference in alternate years. At NCTE, IWCA sponsors either a day-long workshop, or an Active Writing Center; at CCC, the assembly sponsors a special interest session, along with an exchange of writing center materials. Executive Board meetings are always open to the membership.

International Writing Centers Association
Research Grants Guidelines

**Purpose:** The International Writing Centers Association (IWCA) serves to strengthen the writing center community through all of its activities. To encourage the advancement of existing theories and methods and the creation of new knowledge and support of new colleagues, the IWCA offers its Research Grant and Graduate Research Grant. These grants support quantitative, qualitative, theoretical, and applied projects associated with writing center research and application. The Graduate Research Grant supports projects associated with a master’s thesis or doctoral dissertation. While funding travel is not the primary purpose of these grants, we have supported travel as part of specific research activities (e.g., traveling to specific sites, libraries, or archives to conduct research) or to disseminate research findings that this grant also funded. However, this fund is not intended to support solely conference travel; instead, that travel must be part of some larger research program stipulated in the grant request.

**Award:** $500–$750
(Note: IWCA reserves the right to modify the award amount.)

**Application:** Complete application packets contain the following items (electronic applications accepted):

1. Cover letter: Addressed to the current IWCA President, the letter should do the following:
   - request IWCA’s consideration of the application.
   - introduce the applicant and the project.
   - specify how grant monies will be used (materials, travel, conference registration, etc.) in an itemized budget.

2. Project Summary: 1–3 page summary of the proposed project, its research questions and goals, methods, schedule, current status, etc. Locate the project within the relevant, extant literature.

3. Curriculum Vitae
4. For Graduate Research Grant only—Letter of Support: Please include a support letter from the thesis/dissertation director.

**Process:** Proposal deadlines are January 1 and July 1. After each deadline, the IWCA President will forward copies of the complete packet to the Board for consideration, discussion, and vote. Applicants can expect notification within 4–6 weeks from receipt of application materials.

**Stipulations:**

1. IWCA support must be acknowledged in any presentation or publication of the resulting research findings.

2. Copies of resulting publications or presentations must be forwarded to IWCA in the care of the Executive Secretary.

3. Recipients must submit a final project report to the IWCA Board, in care of the Executive Secretary, due within 12 months of receipt of grant monies. If the project extends more than one year, recipients must file a progress report to the Executive Secretary at the one-year point.

4. Recipients are strongly encouraged to submit a manuscript coming out of the supported research to one of the two IWCA-affiliated publications, *The Writing Lab Newsletter* or *The Writing Center Journal*, or to the IWCA Press, with the understanding that they are willing to work with the editor(s) and reviewer(s) to revise the manuscript for potential publication.

For information or to discuss the project’s fit to the award’s guidelines, contact the current IWCA President. Names and addresses of the President and Board members are available on the IWCA Homepage at http://writingcenters.org/.
