Why do I care about educating citizen planners?

- You are a Plan Commission Member who serves because you are a City Engineer or a County Surveyor
 - You need more information
 - The people you serve with need to be educated!
- You review plans and/or plats for Plan Commission, BZA or for permit issuance
- You prepare plans, plats, applications, reports, studies, etc. for Plan Commission

Why do I care about educating citizen planners?

- Wouldn't you like planning decisions to be more predictable?
- Other reasons?
