

Driving Indiana's Economic Growth

Back to Basics: Erosion Control

Part I:

Doug Wolf, IDEM, Sediment and Erosion Control Basics

Michelle Allen, INDOT, JTRP Study

Part II:

Nathan Saxe, INDOT, Quality Assurance Reviews

Tom Harris, INDOT, Minnesota/Wisconsin Trip

Janice Osadczuk, FHWA, Results and Action Items

Joint Transportation Research Program

Identification and Implementation of Best
Management Practices for Erosion and
Sediment Control to Indiana
Stormwater Quality Regulations and
Guidance

Study Advisory Committee
Lead by Dr. Lynn Corson, Ph.D

FHWA
INDOT Design, Construction, Environmental,
and Maintenance
IDEM Stormwater
Indiana Construction Association
Contractor Representative

Deliverables:

A: Update BMP List and Matrix

B: Revise INDOT Standards, Design Specifications

C: Revise INDOT's NPDES Stormwater Permit Application

D: Develop Erosion and Sediment Control Training Curriculum

E: Prepare A Field Manual of Approved BMP and Pertinent INDOT Standards
