Editor's Note

For the opportunity to edit *The Writing Center Journal*, we are indebted to our respective schools. We would especially like to thank Dr. Daryl Jones, Chair of the Department of English, Texas Tech University, and Dr. Patricia Gardner, Chair of the Department of English, Utah State University, for their encouragement and support. And for the financial support provided by Texas Tech and Utah State University, we would like to thank Dr. Robert Hoover, Dean of Humanities, Arts, and Social Sciences at Utah State University, and Dr. William Conroy, former Dean of Arts and Sciences at Texas Tech University, who made this support possible. We would also like to thank our colleagues and staff of our respective writing centers for their help.

In addition, we are grateful to the members of the Executive Board of the National Writing Centers Association, who served as manuscript reviewers. In the midst of their busy schedules, they took the time to review carefully each manuscript that we sent them, in most cases returning the manuscript and their evaluation before the date we had set as a deadline. Their assistance and their interest in the journal have been invaluable to us.
