Academic Libraries Networking and Collaboration in South Africa

Dr. Elisha Chiware
Director: CPUT Libraries
Cape Peninsula University of Technology

IATUL Seminar - Linking up - Cooperation Strategies in Academic Libraries
Agenda

- Higher Education in South Africa
- University Libraries
  - Networking and Collaboration
  - CHELSA
  - SANLIC
  - SABINET
  - LIASA
  - Regional Academic Library Networks
  - Emerging Regional Research Data Management Networks
  - The Future
Higher Education in South Africa

IATUL Seminar - Linking up - Cooperation
Strategies in Academic Libraries
University Libraries

- Traditional Universities
- Comprehensive Universities
- Universities of Technology

IATUL Seminar - Linking up - Cooperation Strategies in Academic Libraries
Networking and Collaboration

- Resource Sharing
- Capacity Building
- Benchmarking
- Networking
- Sharing Best Practices
Competition Among University Libraries
CHELSA
(Committee of Higher Education Libraries of South Africa)

• Collaborative National Statistics Database
• National Electronic Theses & Dissertations Project
• Institutional Repositories
  • Metadata harvesting
• Information Literacy Training
SANLIC
(South African National Libraries Consortium)

- Assists member institutions and client libraries to acquire better value for money for digital collections than they could individually.
- Working on a non-profit, cost recovery basis, it primarily harnesses collective buying power to negotiate and secure electronic license agreements for digital content.

- Electronic information resources site licensing
- Evaluation and management of electronic information resources
- Marketing and promotion of electronic information resources
- Training
- Advice
- General assistance and support
- Communication, liaison and lobbying
SABINET
(South African Bibliographic Network)

• Union catalogue
• Platforms for managing ILL
• Regional Library Managers’ Conferences
• Annual Library Directors’ Retreat
LIASA

(Library & Information Association of SA
Professional Association
Interest Groups (e.g. Higher Education Library Interest Group - HELIG)
