

Extension Series No. 69
Engineering Extension Department

PROCEEDINGS OF THE
THIRTY-FIFTH ANNUAL
ROAD SCHOOL

held at
PURDUE UNIVERSITY
April 11-14, 1949

Compiled and Edited by
BEN H. PETTY
Professor of Highway Engineering

PURDUE UNIVERSITY
LAFAYETTE, INDIANA

Table of Contents

	Page
PREFACE	5
PAPERS—	
Organized Cooperation to Meet Emergencies, by General Philip B. Fleming, Administrator, Federal Works Agency, Washington, D.C.	15
Problems of the Professional Highway Engineer, by Hal H. Hale, Executive Secretary, American Association of State Highway Officials, Washington, D. C.....	32
Road Blocks to Highway Progress, by Arthur C. Butler, Director, National Highway Users Conference, Washington, D. C.....	39
Why the Increasing Emphasis on Traffic Operations?, by Burton W. Marsh, American Automobile Association, Washington, D. C.....	46
The Urgency of Local Road Needs, by Ben F. Ostergren, Manager, County Highway Officials Division, American Road Builders Association, Washington, D. C.....	56
New Developments in Concrete Pavement Design, by J. D. Lindsay, Assistant Engineer of Materials, Illinois Division of Highways, Springfield, Illinois	63
Use of Lime in Improving Bases and Subgrades, by A. Morgan Johnson, Graduate Research Assistant, Joint Highway Research Project, Purdue University, Lafayette, Indiana.....	77
Physico-chemical Disintegration of Concrete, by F. O. Slate, Research Chemist, Joint Highway Research Project, Purdue University, Lafayette, Indiana	93
An Engineering Soils Map of Indiana, by C. R. McCullough, Research Assistant, Joint Highway Research Project, Purdue University, Lafayette, Indiana	103
Variations in Airphoto Patterns of Illinoian Drift, by J. C. Stevens, Research Assistant, Joint Highway Research Project, Purdue University, Lafayette, Indiana	120
Bituminous Sandstone Mixtures, by C. T. Metcalf, Graduate Research Assistant, and W. H. Goetz, Research Engineer, Joint Highway Research Project, Purdue University, Lafayette, Indiana.....	141
Research as Related to the Development of Aggregate Specifications, by D. W. Lewis, Research Engineer, and K. B. Woods, Associate Director, Joint Highway Research Project and Professor of Highway Engineering, Purdue University, Lafayette, Indiana.....	155
Status of Drainage Mapping from Airphotos in Indiana, by Merle Parvis, Research Engineer, Joint Highway Research Project, Purdue University, Lafayette, Indiana	174

	Page
Laboratory Studies with Bituminous-Sand Mixtures (Synopsis), by W. H. Goetz, Research Engineer, and J. M. Rice, Graduate Research Assistant, Joint Highway Research Project, Purdue University, Lafayette, Indiana	192
Freeze-and-Thaw Durability of Air-Entrained Concrete Using Indiana Aggregates (Synopsis), by Jack B. Blackburn, Graduate Research Assistant, Joint Highway Research Project, Purdue University, Lafayette, Indiana	194
Opportunities for Local Government, by Jack C. Greig, Executive Director, Henry County Council on Intergovernmental Relations, and Secretary, Indiana Joint Committee on Street-Highway Program, New Castle, Indiana	196
Elemental Structure of the Master Plan, by Lawrence V. Sheridan, Planning Consultant, Indianapolis, Indiana.....	206
Traffic Engineering and Mass Transportation, by Hallie Myers, Safety Counselor, Indianapolis Railways, Inc.....	219
Help Yourself—To Help from Public Transit, by Donald H. Walker, President, Fort Wayne Transit, Inc., Fort Wayne, Indiana.....	227
Motorists' Reaction to Portable School Signs, by James T. White, City Traffic Engineer, Evansville, Indiana.....	234
Parking Meters, Irregularly Spaced, by C. J. Walker, City Traffic Engineer, Gary, Indiana	239
The Need of Greater Cooperation Between Engineers and Contractors, by Blair A. Rieth, President, Indiana Highway Constructors, Inc., General Manager, Rieth-Riley Construction Co., Goshen, Indiana....	241
Development and Progress of Superhighways in Cook County, Illinois, by James F. Kelly, Assistant Chief Engineer, Cook County Highway Department, Chicago, Illinois	246
Planning, Building, and Dedicating a New County Highway Garage, by Thomas MaCurdy, President, Carroll County Board of Commissioners, Delphi, Indiana	259
Benefits from a County Bridge Fund, by Ernest Coffin, Wayne County Road Supervisor, Richmond, Indiana.....	262
Hourly Wages vs. Monthly Wages—Irregular Wages vs. Regular Wages, by George W. Koronski, Superintendent and Engineer, Gogebic County Road Commission, Bessemer, Michigan.....	266
Liquid Asphalts and Their Uses, by H. C. Offutt, Asphalt Engineer, The Ohio Oil Company, Robinson, Illinois.....	273
Construction of Bituminous Plant Mixes Using Pit-Run Gravel, by Ernest Coffin, Wayne County Road Supervisor, Richmond, Indiana....	290
RECENT ENGINEERING EXTENSION PUBLICATIONS.....	293
