

Local Public Agency Obligation Report Federal-Aid Highway Funds

Prepared By
Indiana Department of Highways
Division of Local Assistance, IDOH

February 8, 1985

[Editor's Note—This is a copy of the first page of a 19-page report. A complete copy of the report can be obtained by contacting the instigating office shown above at 100 N. Senate, Indianapolis, IN 46204].

This report lists the use of Federal-Aid Highway funds by Local Public Agencies (counties, cities and towns) for a federal fiscal year (October 1 through September 30) beginning FY 1984. The report includes the federal funds allocated each year with the carry over from the previous year, and the total funds either obligated or deobligated per Local Public Agency.

The report is divided into the different categories of Federal-Aid Highway funds allocated to Local Public Agencies.
