

Preface

The 78th Annual Road School was well attended by members of all cooperating groups. Attendance was up over 20 percent from the 1991 Road School, when a five-county ice storm made it impossible for many people to attend. The efforts of all who gave freely of their time toward the success of this venture are gratefully acknowledged.

REGISTRATION

The official registration totaled 885. The following tabulation shows the classified Road School registrations in recent years.
