Letters to the Editor ......................... 6

This issue is Guest Edited by Beau David Case, Head, European and Linguistics Collections, Ohio State University Libraries

FEATURES

Informing American Librarians about the Euro: An Introduction .............. 1
by Beau David Case — The euro was introduced on January 1 of this year, and although coins and bills are not yet in circulation, the euro is a serious international currency.

The Euro: Past, Present, and Future 16
by Bill Burros — The launch of the euro is a truly historic event not only for the international monetary system, but also for European integration. In addition to its obvious economic impacts, this pooling of monetary sovereignty demonstrates great political commitment.

The Euro and the Book Trade ........... 20
by Gilles De La Rochefoucauld, focusing specifically on France, concentrates on what will happen to the publishing business during this transitional period and then examines the consequences of replacing the existing national currencies with the euro for publishing business partners.

How the Euro will Affect the Buying Power of American Librarians ....... 22
by Geert Vischer — Regarding microeconomic effects, we should not expect to see serious savings in the field of lower transit action and hedging costs. It is questionable whether productivity gains resulting from a reallocation of production resources over the eurozone will play an important role in the determination of prices charged to the end user. And it can safely be said that the introduction of the euro should not have significant effects on the buying power of the US librarian.

A Little Less Than Euro-Phoric: Understanding the British Response to the Euro ........................................ 71
by Suzanne Wilson Higgins — Of the 15 countries in the EU, there are four countries which have chosen to opt out from third stage monetary union—namely the UK, Sweden, Denmark and Greece.

Op Ed — Opinions and Editorials .... 36

Ferguson’s Good Idea — Albert Henderson has A Response to Back Talk, April, 1999.
Good faith collaboration of publishers and librarians promises better solutions for library users than the plans of misers who aim only to further cut costs.

Back Talk ...................................... 94

This month, Tony Ferguson talks about Chains of Complexity.

ALA ANNUAL ISSUE
LEGAL ISSUES
Edited by Anne F. Jennings (Anne Jennings, Inc.) and Jack Montgomery (Western Kentucky University)

Copyright Questions and Answers ... 46
A regular column in which Laura Gasaway answers all kinds of nitty-gritty questions.

PUBLISHING
From the Other Side of the Street ... 48
Viruses to Die For by Thomas Bacher
Publisher Bestsellers .............. 50
Julie Gammon has been hard at work this month on bestsellers from the University Press of Colorado
Bestsellers in Chemical Technology (Subclass TP) 1998/99 .............. 52

BOOKSELLING
Academic Book Trends .............. 56
Literature and Literary Criticism - What (and who) do academic libraries buy? by Celia Scher Wagner — Selecting literature and literary criticism poses many challenges to academic libraries, the major one being a disjunct between supply and demand.

Book Pricing Update .................. 58
Online Selection Tools by Marguerite K. McNair and Dan Miller — Why is it that guiding selectors and bibliographers to the Web is not as easy as it would seem?

Media Minder ...................... 58
To DVD or Not to DVD? — Philip Hallinan gives us some answers and reflections on this thorny issue.
sotto voce ...................... 60
Some Thoughts on Change by Bob Schatz — "Library supply, like virtually every other industry in America, is undergoing shrinkage and consolidation. The battle for market share is fierce ..."

And They Were There .............. 64
Reports of Meetings — AAP/PSP Annual Conference and Oklahoma Libraries Conference

Bet You Missed It .................. 66
Did you know that NIH is considering investing in a one-stop, public source for biomedical research papers? How about that the height of the Sears Tower is off by four feet in the tourist brochure? Check out these two articles and more in this month's column!

Not Fit For Print .................. 80
Are Libraries Sexist? This month, Tony Leiner isn't at all "politically correct." He's obsessed with directions and how men and women use them differently.

INTERNATIONAL
International Dateline .............. 78
From the UK by Martin White — This year the UK Serials Group Annual Conference was a combined event with the European Federation of Serials Groups.
