BEING A GOOD TEAMING PARTNER

BRYAN DONZE, KASKASKIA ENGINEERING GROUP, LLC.

GREG KICINSKI AND KEN OLSON, AMERICAN STRUCTUREPOINT INC.

Prime and Sub Relationship

Types of Relationships on Projects

*39 Active or Completed
Work Orders Together,
Since 2015*

Best Practices – Positives

- Communication
- Responsiveness Guidelines
- QC/QA Procedures between Teams
- Flexible Partnership
- Teaming Evaluations

Project Pitfalls – Lessons Learned

- Vague scope
- Poor schedule
- Unclear deliverables
- Quality control issues
- Unreasonable timelines

Open Discussion and Closing

“Seeing each other as one team, not two teams working on one project.”

- Geri Boyer, Owner, Kaskaskia Engineering Group, LLC
