Just heard that **Martha Whittaker** (of **CARL**, **Blackwell Book Services**, and **SerialsSolutions**) is taking the summer off. Why? Well, her son is getting married soon and she wanted to be around for the big event in Colorado! Sounds like a plan. Best wishes to the happy couple, **Martha!**

We were so sorry to learn of the death of **Peter Banks** in July. I remember **Peter** at the conference several years ago giving an impassioned talk regarding open access. Be sure and read **Greg Tananbaum's** tribute to **Peter**, this issue, p.8.

Symyx Technologies, Inc. (Nasdaq: SMMX) has entered into a definitive agreement to acquire certain content and software products of **MDL Information Systems** for \$123 million in cash (subject to a working capital adjustment) from **Elsevier Inc.** **Symyx**, based in Santa Clara, CA, provides electronic lab notebook (ELN), automation and scientific decision-support software, automated lab systems (workflows) and collaborative research services. **MDL**, based in San Ramon, CA, provides technical R&D software solutions to more than 1,000 life sciences companies. **MDL's** integrated informatics and content solutions for discovery chemistry and biology include its **ISIS** and **Isestris** platforms, and such industry standards as **MDL Draw**, **MDL Direct**, **Available Chemicals Directory (ACD)** and **DiscoveryGate**. With this solution set, **Symyx** will be able to accelerate its customers' move toward paperless labs by integrating content, collaborative desktops, automation and information management for users, workgroups and the enterprise. The transaction is expected to close during the fourth quarter of 2007 and is subject to customary closing conditions and documentation, including clearance under applicable antitrust laws. **Thomas Weisel Partners LLC** acted as exclusive financial advisor to **Symyx** and provided a fairness opinion to the **Symyx Board of Directors**.

All of us think frequently of **JOHN SECOR**. What is he doing? What happened to him? Well, I have a semi-clue. I heard from his son, **Glen** <gsecor@lawandinfo.com> who wants to catch up with the industry. **Glen** says he is a voice from the past and is hoping to re-engage, probably in some consulting capacity. He wants back issues of **ATG**. Well, guess what? I have them. Send me your orders! <kstrauch@comcast.net/>

Speaking of old friends, I picked up my cell phone the other day and who should be on the line but **PHIL MAY!** Remember the amazing **Phil** from **Mumford Library Services** in Jacksonville, Florida? Anyway, **Phil** was coming to Charleston to see us at the **Addlestone Library**, of course, but also to donate a letter **John Bennett** (1865-1956) had written to the wife of **Lancelot Harris** (a professor of Languages at the **College of Charleston** many years ago) and a relative of **Phil's**. How exciting to see **Phil** who is doing very well!

More old friend news! Heard from **Alix Vance** <avance@cqpress.com> who has resigned her position at **EBL** to become the new **Director of Library Reference Publishing** and **CQ Researcher Division** at **CQ**. **Alix** says she will be at the **Charleston Conference**. An announcement from **EBL** regarding her replacement is forthcoming. For any **EBL** inquiries, contact **Kari Paulson** <kari.paulson@eblib.com> or **Alison Morin**, <alison.morin@eblib.com>. Congratulations, **Alix**, and see you soon!
