The First Sale Doctrine Under Attack? by Bryan Carson — The first sale doctrine is a basic part of copyright law. A recent decision in the 2nd Circuit Court of Appeals has attacked the very basis of this doctrine. Bryan thinks it is an ill-considered response to an egregious situation. And look on p.78 where Bryan tells us about some big news in the world of intellectual property.

Biz of Acq............................................. 77
Where’s the Backlog? by Kim Wallis and Mary Dolan — By working smarter instead of harder, the technical services department at Sonoma State University Library cut down the backlog of materials in the department.

@Brunning: People & Technology.....79
