Interest Groups & Advocacy will engage broadly with the politics of interests. It will record and analyze how advocacy by groups, movements and lobbying professionals shapes policy, and it will address important debates about how such interests are mobilized and maintained. It will cast a wide net across politics and society to identify the forces, strategies, and tactics that determine policy change.

Health Systems is an interdisciplinary journal promoting the idea that all aspects of health and healthcare delivery can be viewed from a systems perspective. The underpinning philosophy of the journal is that health and healthcare systems are characterized by complexity and interconnectedness, where "everything affects everything else". *Health Systems* will provide a forum that brings different disciplinary viewpoints and research approaches together in discussion.

EconLit Now Has Economics Articles Published since 1886!

www.aeaweb.org/econlit

With more to come!

The American Economic Association (AEA) has created EconLit records for journal articles indexed in Volumes 1–10 of the AEA's *Index of Economic Articles*. Many of these journals are now available in full text and may be linked to from EconLit if they are part of a library's holdings.

The EconLit records include complete bibliographic citations, subject descriptors and subject codes from the AEA's 1961–1968 classification system, geographic and regional descriptors, and named historical persons.

EconLit will soon add records for articles from 1886–1968 collective works (edited volumes, conference proceedings, etc.). We will also match abstracts from the *Journal of Economic Abstracts* (1963–1968) and from the *Journal of Economic Literature* (1969–1986) to journal records.

The older records will become part of EconLit subscriptions at no extra cost.

For more information contact info@aeaweb.org.

"Great customer service! That's why we love to work with Midwest."

Lydia Murch
Lee University

"I truly appreciate the service that you give us and I always enjoy talking to you on the phone. I think you are absolutely WONDERFUL and you give AWESOME service."

Carolyn Marr
Wayland Baptist University

"You're a benchmark for how customer service should be conducted."

Eric Kidwell
Huntingdon University

"We recently signed up with Midwest to handle our Continuations. The customer service is outstanding. Our representative is extremely helpful and returns emails and phone calls right away. We couldn't be happier."

Leanne Roseberry
Lincoln Land Community College

"I love the new status report. It sure makes things easy when checking on unfilled orders—what a great idea. Your website is so easy to navigate and it is easy to check on orders and even cancel if you have to. Kudos to Midwest."

Pat Christensen
Olds College

"I am seriously considering consolidating all of our orders and sending them to Midwest. The major reason is that I love the new InterACQ. I usually have to deal with all different types of databases, i.e., excel, pdf, etc. Your system gives me pretty much everything I need—status, expenditures, invoices, etc., and saves me lots of time."

Alan Schut
Dominican University

"I have used many vendors over my past 20 years and Midwest has had the best performance."

Glenda Alvin
Tennessee State University

"I am Midwest's biggest fan. I can't believe how every shipment is dead on accurate and how all the books are so neatly packed; nothing ever damaged. Thanks for being such a great company and providing such tremendous service!"

Cindy Hubbard
Merced College

"Once again, Midwest's customer service has gone far beyond the normal request level. In both my professional experience and my personal experience, I don't know of any other company that comes close to providing such excellent customer service."

Karen Kriegel (retired)
San Francisco Public Library

"The service we receive from each and every one of you is utterly amazing. I cannot think of a single moment when I've been treated "just OK." You are all wonderful to work with and I have come to rely on each and every one of you. You all make my job easier and certainly much more fun."

Kelly Darnell
Albuquerque/Bernalillo County Library

"Midwest does a wonderful job on processing and binding. The books are always "crisp & clean" and neatly done at reasonable prices."

Carla Kramer
Ventura College

"I want to thank you for all the great service you have provided this year. It was a very hectic year for us with so many changes in budget matters, vendors and turn over in staff. Through it all, we have always been able to depend on Midwest as our mainstay for orders."

Shirley Jeffries (retired)
College of Charleston

We strive for complete customer satisfaction, with service second to none.
