Space Aliens Meet Barney and Stephen King
Is Watching Us All by Bruce Strauch

Questions and Answers ........................ 68
Copyright Column by Laura Gasaway —
Professors often ask librarians why the library
does not just go ahead and digitize an entire
collection. Lolly tells librarians how to respond.

PUBLISHING
Biz of Acq ........................................ 72
Examining the Worth of Information by
Audrey Fenner — Think about the actual value
of the information that we buy and sell—not the
price, but the real worth. When it comes to in-
formation, librarians will pay whatever is be-
ing charged, and publishers will charge what-
ever they think librarians will pay. Audrey ex-
plains why.

And They Were There ....................... 74

UCITA Revisited .............................. 70
by Norman Desmarais — UCITA: A Bad Law
Protecting Bad Software (Against the Grain,
February, 2002, pp. 81-5) commented on se-
veral objections to the proposed Uniform Com-
puter Information Transaction Act (UCITA). So
far, only Maryland and Virginia have adopted
UCITA since 1999.

Uncommon ...

Against the Grain is your key to the latest news about libraries,
publishers, book jobbers, and subscription agents. ATG is a
unique collection of reports on the issues, literature, and people
that impact the world of books, journals, and electronic information.

Unconventional ...

ATG is published six times a year, in
February, April, June, September,
November, and December/January. A
six issue subscription is available for
only $40 U.S. ($50 Canada, $70
foreign), making it an uncommonly
good buy for all that it covers. Make
checks payable to Against the Grain,
LLC and mail to:
