Cooperative Collection Development Guest Editor, Margo Warner Curl

Some Practical Models For Cooperative Collection Development 1

by Margo Warner Curl — *Many library partnerships and consortia have formed in order to collectively purchase electronic resources (electronic journals, databases) or to create efficiencies through a shared integrated library system (ILS).*

Give us the Tools: The CURL-CoFoR Project in Britain 18

by Gregory Walker — *CURL-CoFoR has its roots in the earlier COCOREES project.*

The Shared Bibliographer: 24

TRLN Builds Cooperative South Asia Collection by Kim Armstrong — *The Triangle Research Libraries Network (TRLN) consortium appointed a shared bibliographer for South Asia collections in Fall 2001.*

Planning a Prospective Shared Print Journal Collection at the University of California 28

by Cynthia Shelton — *The University of California libraries have been building shared digital collections for almost six years.*

SWORCS: A Work in Progress 30

by Paul Jenkins — *Since the days of the Farmington Plan librarians have chased the holy grail of cooperative collection development with little success.*

CTW — Early Explorations and New Directions 34

by Marian Shilstone — *The CTW Consortium of Connecticut College, Trinity College and Wesleyan University was first formed in 1984. What have they done and what are they up to?*

Ohio5 Government Documents 38

by Mary Prophet, Megan Fitch and Joy He — *The CONSORT Colleges, (Denison University, Kenyon College, Ohio Wesleyan University, and The College of Wooster) are all Federal Depository libraries. There is a consortial expectation that government documents collection development is a fluid enterprise that requires regular attention.*

A Primer on Open Access to Science and Scholarship 56

by Peter Suber — *Scientific and scholarly journal articles are among the most significant examples of this rare and peculiar breed, which could be called royalty-free literature.*

Peer Review 59

by Mark Herring — *Peer-review, along with its alternatives, is an important topic, not the least of which is its potential impact on library access to information.*

Op Ed — Opinions and Editorials ... 62

Open Access: Two Caveats by Steve McKinzie — *In an era of expanding journal costs and declining library budgets, one wonders if the widespread acceptance of Open Access could prove more problematic than beneficial.*

Back Talk — RFID 94

by Tony Ferguson — *Tony says that in Hong Kong RFID tag-like devices are a part of daily life.*
