Well, it wasn’t that bad but I did get your attention, right?  

Bruce and I have been living out in the country since we retired in September 2016. Did you ever see “Green Acres”? with Eddie Albert and one of the Gabor sisters? I feel like I am in that sitcom regularly out here. There are many issues that we city folks have never encountered. Plus we were renting from the Citadel and we could always ask them to fix stuff.

A few weeks ago, in the middle of the night, we heard this huge boom. In the morning we learned we had a three part series on QEP at Belmont Abbey College and Antje Mays returns to Biz of Acq to discuss impacts and insights of migration.

Sorry to cut this off but they are calling for thunderstorms! I can even see the lightning! Bummer! I have to go shut off my electricity.

Don’t want more trouble at Green Acres!

Have a great summer!  Yr. Ed.
