Dear Professor Kong,

I wanted to follow up with you regarding the email I sent on 2/27. We have not yet heard from you regarding the Purdue e-Pubs Deposit Agreement; are there any questions you have that we could answer?

Please let me know what we can do to move to the next step of the process.

Thank you,

Devon Goldberg

Dear Prof. Kong,

We would like to celebrate your success in the recent publications:

- Teng, Y., Kong, N., Tu, W. *Optimizing strategies for population-based chlamydia infection screening among young women: An age-structured system dynamics approach Infectious Disease epidemiology. BMC Public Health Volume 15, Issue 1, 11 July 2015, Article number 639.*

Your publication in [this journal] gives you the opportunity to archive in your institutional repository. Purdue's repository, Purdue e-Pubs, increases visibility and impact of your work. If you consent to the e-Pubs agreement below, we can upload on your behalf--giving you access to the author dashboard, where you can track the usage of your work. If you have questions, you can reply to this message; or, reach out to Nina Collins, Scholarly Publishing Specialist, at nkcollin@purdue.edu. We hope you will allow us to celebrate your success.

Regards,
Devon Goldberg

E-Pubs Publishing Agreement

I hereby grant to Purdue University a non-exclusive perpetual royalty free license to use, duplicate and distribute the work ("Work"), listed above, in whole or in part. I agree as follows: The Work is to be deposited in the Purdue University's e-Pubs repository. I further grant to Purdue University the right to transfer the Work to any format or medium now known or later developed for preservation and access in accordance with this agreement. This agreement does not represent a transfer of copyright to Purdue University.

I represent and warrant to Purdue University that the Work is my original work and does not, to the best of my knowledge, infringe or violate any rights of others nor does the deposit violate any applicable laws. I further represent and warrant that I have the authority and/or have obtained all necessary rights to permit Purdue University to use, duplicate and distribute the Work and that any third-party owned content is clearly identified and acknowledged within the Work.

By granting this non-exclusive license, I acknowledge that I have read and agreed to **(a)** the terms of this agreement and **(b)** [Purdue University's policy on intellectual property](#).
