

Industry Survey

Start of Block: Default Question Block

Kindly enter your details:

Name and Company: (1) _____

Q1. How would you characterize your company?

- Agricultural or farming activities (4)
 - Forestry or lumbering activities (5)
 - Construction work – Buildings, homes, roads, structures, etc. (6)
 - Manufacturing, refining, processing activities (7)
 - Retail/Wholesale trade (8)
 - Mining or quarry activities – Used to assist in the extraction of natural resources (9)
 - Transportation. Please Specify: (2) _____
 - Others. Please Specify: (3) _____
-

Q2. If your company moves commodities, what type of commodities do you move?

- Gravel (1)
 - Base Metals (2)
 - Cereal Grains (3)
 - Nonmetal Mineral Products (4)
 - Motorized Vehicles (5)
 - Manufacturing Products (6)
 - Other Agriculture Products (7)
 - Basic Chemical (8)
 - Fertilizers (9)
 - Other Foodstuffs (10)
 - Others. Please Specify: (12) _____
 - Do not move commodities (11)
-

Q3. What is the frequency of inbound trucks per day at your site?

- 1-15 trucks (1)
 - 15-30 trucks (2)
 - 30-45 trucks (5)
 - 45-60 trucks (4)
 - N/A (6)
 - Please specify the average count: (7) _____
-

Q4. What is the frequency of outbound trucks per day at your site?

- 1-15 trucks (1)
 - 15-30 trucks (2)
 - 30-45 trucks (3)
 - 45-60 trucks (4)
 - N/A (5)
 - Please specify the average count: (7) _____
-

Display This Question:

If your company moves commodities, what type of commodities do you move? = Gravel

Or If your company moves commodities, what type of commodities do you move? = Base Metals

Or If your company moves commodities, what type of commodities do you move? = Cereal Grains

Or If your company moves commodities, what type of commodities do you move? = Nonmetal Mineral Products

Or If your company moves commodities, what type of commodities do you move? = Motorized Vehicles

Or If your company moves commodities, what type of commodities do you move? = Manufacturing Products

Or If your company moves commodities, what type of commodities do you move? = Other Agriculture Products

Or If your company moves commodities, what type of commodities do you move? = Basic Chemical

Or If your company moves commodities, what type of commodities do you move? = Fertilizers

Or If your company moves commodities, what type of commodities do you move? = Other Foodstuffs

Q5. What modes of transportation do you use for inbound shipments? Please select percentage use of each.

_____ Truck (1)

_____ Rail (2)

_____ Air (3)

_____ Water (4)

_____ Multimodal. Please specify: (5)

Q6. What modes of transportation do you use for outbound shipments? Please select percentage use of each.

_____ Truck (1)

_____ Rail (2)

_____ Air (3)

_____ Water (4)

_____ Multimodal. Please Specify: (5)

Display This Question:

If How would you characterize your company? = Manufacturing, refining, processing activities

Or How would you characterize your company? = Retail/Wholesale trade

Or How would you characterize your company? = Transportation. Please Specify:

Or How would you characterize your company? = Construction work – Buildings, homes, roads, structures, etc.

Or How would you characterize your company? = Forestry or lumbering activities

Or How would you characterize your company? = Agricultural or farming activities

Or How would you characterize your company? = Mining or quarry activities – Used to assist in the extraction of natural resources

Q7. Where are the primary suppliers of your products located?

International (1)

Out of state (2)

In state (3)

Display This Question:

If How would you characterize your company? = Retail/Wholesale trade

Or How would you characterize your company? = Transportation. Please Specify:

Or How would you characterize your company? = Manufacturing, refining, processing activities

Or How would you characterize your company? = Forestry or lumbering activities

Or How would you characterize your company? = Agricultural or farming activities

Or How would you characterize your company? = Mining or quarry activities – Used to assist in the extraction of natural resources

Q8. Where are the primary customers of your products located?

International (1)

Out of state (2)

In state (3)

Display This Question:

If How would you characterize your company? = Transportation. Please Specify:

Q9. Of these five types of road projects, which one should the State Transportation Authority focus on in your county that will benefit your company? Choose multiple, if necessary. Rank them in order of importance, with 1 being the highest.

	1 (1)	2 (2)	3 (3)	4 (4)	5 (5)
Improve access to roads (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Maintain existing roads (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Add new lanes to reduce congestion (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Improve access to rail (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Improve access to waterways (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Display This Question:

If Of these five types of road projects, which one should the State Transportation Authority focus o... = Improve access to roads [1]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Improve access to roads [2]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Improve access to roads [3]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Improve access to roads [4]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Improve access to roads [5]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Maintain existing roads [1]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Maintain existing roads [2]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Maintain existing roads [3]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Maintain existing roads [4]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Maintain existing roads [5]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Add new lanes to reduce congestion [1]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Add new lanes to reduce congestion [2]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Add new lanes to reduce congestion [3]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Add new lanes to reduce congestion [4]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Add new lanes to reduce congestion [5]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Improve access to rail [1]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Improve access to rail [2]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Improve access to rail [3]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Improve access to rail [4]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... = Improve access to rail [5]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... =
Improve access to waterways [1]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... =
Improve access to waterways [2]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... =
Improve access to waterways [3]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... =
Improve access to waterways [4]

Or Of these five types of road projects, which one should the State Transportation Authority focus o... =
Improve access to waterways [5]

Q10. For the type of project selected in the previous question, the primary benefit to your company will be improvements in:

	1 (1)	2 (2)	3 (3)	4 (4)	5 (5)
Cost (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Speed (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
On-time delivery (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Congestion (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Safety (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Display This Question:

If How would you characterize your company? = Transportation. Please Specify:

Q11. Do any of the following conditions present problems for freight shipments to or from your company and/or facility? Rate them from 1 - 5, 5 being a very serious problem.

	1 (1)	2 (2)	3 (3)	4 (4)	5 (5)
--	-------	-------	-------	-------	-------

Highway congestion (1)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Merge lanes (2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Highway interferences with rail lines (i.e., grade crossings) (3)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Inadequate local streets capacity (4)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Roadway turning radius (5)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Insufficient lane width for wide loads (6)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Insufficient bridge/tunnel clearances (height) (7)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Lack access from railyards to Interstate highway system (8)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Lack of trailer drop-off/pickup facilities for trucks (9)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Curfew restrictions on movement of large and heavy trucks (10)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Delays caused by lift bridges (11)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Poor truck access to shipping terminals (12)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Poor truck access to intermodal facilities (13)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Poor truck access to airports for air cargo purposes (14)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Poor reliability due to accidents and incidents (15)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Unsafe roadway geometrics (16)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Poor reliability due to weather conditions (17)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Poor freeway ramp design (18)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Narrow roads (19)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Poor Signage (20)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Other (Please Specify): (21)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Display This Question:

If How would you characterize your company? = Transportation. Please Specify:

Q12. If trucks are used by your company, what type of trucks?

- Single-Unit Truck (1)
- Truck & Trailer (2)
- Tractor & Trailer (3)
- Tractor w/ 2 Trailers (4)
- Tractor w/ 3 Trailers (5)
- Other (Please Specify): No input field present (6)
- No trucks used for transport (7)

Display This Question:

If How would you characterize your company? = Transportation. Please Specify:

Q14. If using rail, how many rail cars are used by your company for transport?

- 0 - 5 (1)
- 6 - 10 (2)
- 11 - 15 (3)
- 16 - 20 (4)
- 21 - 50 (5)
- 51 - 100 (6)
- > 100 (7)
- N/A (8)

Display This Question:

If How would you characterize your company? = Transportation. Please Specify:

Q15. What improvement in the state's infrastructure would you like to see?

- Highway ramps (1)
 - Highway/route connectors (2)
 - Highway/route lane capacity (3)
 - Rest Areas (4)
 - Truck parking areas (5)
 - Industrial zones for facility/terminal locations (6)
 - Intermodal rail facilities (7)
 - Information services (8)
 - Other infrastructure (Please Specify): (9)
-

Q16. Which one of these state goals will be the most beneficial to your company?

- Improve state of good repair of the freight transportation system (1)
- Reduce congestion on the freight transportation system (2)
- Improve safety, security, and resilience of the freight transportation system (3)
- Reduce adverse environmental and community impacts of the freight transportation system (4)
- Increase economic efficiency, productivity, and competitiveness (5)

Q19. From your perspective, what are the current strengths or weaknesses of the State's transportation system?

Q20. Do you have any other comments, concerns, or issues that we have not addressed?
