UEDA Tamon, Japan
XING Feng, China**

Call for Abstracts

Abstract Submission Deadline

01 September, 2021

Email: icdcs2022@163.com

Welcome to the **Seventh International Conference on Durability of Concrete Structures (ICDCS 2022)** which will be held in University of Jinan, Jinan, P. R. CHINA on Friday 20 - Sunday 22, May 2022.

The International Conference on the Durability of Concrete Structures (ICDCS) series brings together leading experts in the field of concrete durability from around the world. The aim is to discuss recent progress and latest developments in materials technology, assessment of performance both in laboratories and on site, service life concepts and reuse and recycling of construction materials and products to enable concrete constructions to be durable and sustainable.

CALL FOR ABSTRACTS

Authors are invited to submit one page abstract of papers (approximate 300 words in English without figures and tables) for peer-review. Abstract submission is now open. The deadline for abstract submission is **01 September 2021**

KEY DATES

Abstract submission: Wednesday 01 September 2021

Abstract acceptance notification: Tuesday 30 September 2021

Full paper submission: Wednesday 15 December 2021

Paper acceptance notification: Thursday 15 February 2022

Final manuscript submission: Friday 15 April 2022

Conference: Friday 20 - Sunday 22, May, 2022

We look forward to seeing you in Jinan in 2022

International Organizing Committee Chairman

Xin Cheng

University of Jinan, China

Mountain Tai

World Natural / Civilization Heritage Site

The hometown of Confucius

World Civilization Heritage Site

Conference Topics

The general topics to be covered include:

- Influence of exposure environments on the durability
- Ionic/molecular transport and modelling
- Materials for enhancing the durability
 - Mechanisms of deterioration
- Performance of deteriorated structures
- Design for durability and service life
 - Life-cycle assessment of concrete structures
- Testing, inspection and monitoring methods
 - Repair and maintenance
- Novel cementitious materials
 - Practical applications

Venue

The conference will be held in Hilton Hotel in Jinan City.
