WELCOME TO ICDCS 2022

Welcome to the **Seventh International Conference on Durability of Concrete Structures (ICDCS 2022)** which will be held in University of Jinan, Jinan City, Shandong, China, on Friday 20 - Sunday 22, May, 2022. The International Conference on the Durability of Concrete Structures (ICDCS) series brings together leading experts in the field of concrete durability from around the world. The aim is to discuss recent progress and latest developments in materials technology, assessment of performance both in laboratories and on site, service life concepts and reuse and recycling of construction materials and products to enable concrete constructions to be durable and sustainable.

2. Click 'Sign up' button
